If additional employees are going to be included, please provide information on separate piece of paper. A fee of \$870/employee will be charged annually.

Corporate Membership:

Annual dues of \$4350/year will pay for up to 5 individual memberships. Additional memberships are available for \$870/additional employee. The \$4350 includes a boat user fee for each employee that allows for the use of STYC owned Hobie Wave boats. When available and not in use for training programs use of the Opti and 420 STYC owned boats may be used as well. STYC allows memberships to be changed/removed once a year and all changes must be presented to the membership committee prior to the December board meeting of each year. Additions to a corporate membership are allowed year round and will be charged pro-rated dues for the remainder of the calendar year.

**All employees who are married must be charged the family rate. The difference of the \$620 will be billed to the employee individually and must be paid prior to use of the club. If an unmarried employee has children that will use the club a \$200/child fee will be added or he/she can opt for the family rate, if preferable.*
